Dietz has created a gleeful whodunit that's both deeply original and an expert homage to all things Holmesian. There's plenty of intrigue and adventure with even a touch of romance. This is a fun evening that moves quickly, and is guaranteed to please everyone who joins in the game. "The game is afoot, Watson—and it is a dangerous one!"

A 19 year old is being tried for the fatal stabbing of his father. The jury is sent to a stifling room to determine the guilt or innocence of this young man. The vote must be unanimous. This poignant and classic drama illustrates the courage of one man who understands the concept of reasonable doubt and withstands the onslaught of bias and prejudice of Twelve Angry Men.
